

THE NATIONAL GOLF CLUB DRESS CODE REGULATIONS

The National Golf Club expects all members and guests to be dressed appropriately when attending the Club. Introducing members are at all times responsible for the attire of their guests. To avoid embarrassment guests must be informed of the dress code prior to attending the Club.

The National Golf Club has instructed all staff to enforce and manage the dress code and their judgement as to the suitability of attire shall be considered final. Please adhere to their requests without objection. Note that more formal attire may be required for specified events.

	 SUITABLE	 NOT SUITABLE
